## WHO WE ARE

The UAE is a relatively new legal jurisdiction, however its jurisprudence and legal precedents are growing at a fast pace given the presence and intermingle of various legal experts from different parts of the world. Our firm, United Advocates, has also grown progressively from its humble beginning in Dubai. Capitalising on the success of our local practice, we now operate locally and internationally through our various branches and associated offices.

We, being a goal-oriented firm, always strive towards offering international standard services. However, our uniqueness lies in providing effective, strategic and localized legal solutions to meet the needs of our local and foreign clients.

## OUR VALUES

## KEY AREAS OF PRACTICE

With the ever growing number of world-class projects and international businesses residing in the UAE, demands for high level of legal expertise and specialism have become a necessity. In addressing the need for high level of specialism; our firm focuses on the following key practice areas:

- Litigation
  - Alternative Dispute Resolution & Arbitration
  - Corporate & Commercial
  - Construction, Engineering & Infrastructure
  - Real Estate
  - Maritime & Shipping
  - Halal Consultancy
-

---

## OUR TEAM

Our team is comprised of highly skilled and trained lawyers qualified to practise in diverse jurisdictions. They have deep knowledge of local laws and practices and have specific focus on specialised areas of law in response to the multifaceted globalisation of legal practice.

We have a multi-lingual and multi-national team which enable us to service our overseas clients more effectively. Languages spoken by our lawyers include Arabic, English, Russian, Spanish, French, Italian, Persian, Hindi, Bahasa Malaysia, Bahasa Indonesia, Mandarin and Cantonese. Our clients recognise our lawyers as their trusted advisers who are always there to safeguard their interest.

## GLOBAL REACH

We operate internationally, from our own offices, associated offices and established relationships with correspondent law firms. We often receive enquiries from foreign companies and law firms located across the globe. Given our deep rooted commitment and desire to foster international relationships, we now enjoy many close and long lasting relationships with established businessmen, companies and law firms.

Our offices including offices of our associates are located in the UAE, Egypt, India, UK, Spain, Romania, China, Hong Kong SAR, Malaysia and Singapore.
